Need help with your Home PC or Network

**Brian fixes PCs ... and a whole lot more!
Free initial diagnostics ... up to 30 minutes.**

I will come to your home.

I will quote price based on initial diagnostic evaluation.

- Tune-up your PC to get it running as it was new
- Antivirus setup - virus removal, spy-ware removal
- Internet, wireless network setup
- Network more than one PC in your house
- Share printers, files, music, pictures, video
- Install software – re-load system, upgrades
- Install hardware – CD/DVD, memory, cameras
- Train you on how to use your PC programs

Other Services:

- Convert VHS tapes to DVD - \$25 each 2 hr. tape
- Build Web sites, get them up and running quickly
- Provide Internet e-mail services
- And much more ...

The difficult we do right away ...

... the impossible takes a little longer!
